

# AUTISM SEMINARS

## MATC NEURODEVELOPMENTAL SERVICES

### Autism Foundations

MATC Neurodevelopmental Services/Autism provides multi-disciplinary consultation for school age children and youth with Autism Spectrum Disorders. This service is provided to both schools and families. This program is located at 228 Maryland Street.

MATC NDS offers educational, introductory seminars for parents, caregivers, school staff and community professionals involved with school-aged children with an Autism Spectrum Disorder. A multi-disciplinary team will present on topics including diagnosis, assessment, and intervention strategies for home and school. In this workshop participants will learn about:

- Diagnostic criteria, changes in DSM-V, and treatment options
- Family supports and resources
- Differences and impacts on social development
- Difficulties with self-regulation and challenging behaviour
- Challenges to engaging and performing at school
